Much penguin love to all the blue puffle owners out there! Blue puffles are loyal and friendly, which makes them one of the easiest puffles to take care of. We reckon that's why more penguins own blue puffles than any other colour!

Cadence's Catwalk!

Every penguin has their own unique style, but is your look an epic win or a style stumble? Send Cadence your pics to find out!

FASHION THEME

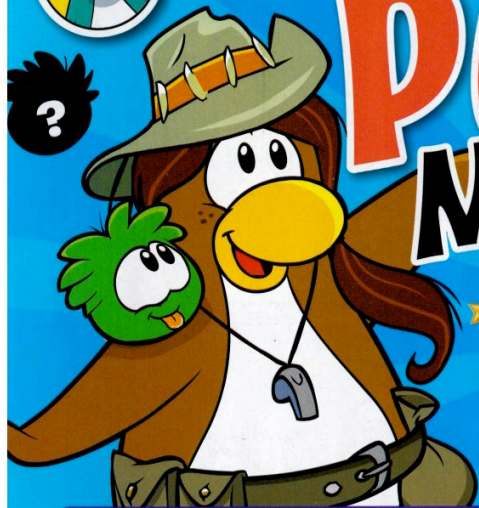

You're looking awesome today, penguins!

Send us a picture of your penguin wearing an outfit that matches any of the following themes: **GREEN 'N GROOVY**, **DOUBLE AGENT**, **LANDLUBBER**, **PARTY MACHINE**. If we show it, you win gold coins! Address details on page 3.

What's your Puffle Match?

It's true what they say - puffles are a penguin's best friend! In fact, some penguins keep up to 20 puffles as pets. That might sound like a lot of fluffy fun, but they need heaps of attention! So take this quiz to find a puffle that's right for you.

Instructions: Give truthful answers to the questions, then add up the number of symbols!

Your friend is having a party at his iggy. What outfit will you wear?

- Something cool and comfy, so I can dance all night.
- My ninja suit, so I can disappear if it gets boring!
- I don't care, as long I've got my sunglasses and skateboard.
- A pirate hat, like my hero Captain Rockhopper!

It's another sunny day on Club Penguin. What's the plan?

- Hang-out in the coffee shop with my best friends.
- Go shopping for some cool furniture for my igloo!
- Explore parts of the island that I haven't been to in a while.
- Head to the Stage and direct my very own show!

Have you heard the news? The Migrator has been spotted approaching Club Penguin!

- Hooray! I can't wait to hear about his latest adventures!
- Yay! Let's write a song to welcome back Captain Rockhopper.

- That's cool, I guess.
- Hang on, is this a practical joke?

Are there any parts of Club Penguin you haven't explored?

- With the Jet Pack, I can see everything!
- A few, I'm pretty busy you know!
- Are you kidding? I've waddled everywhere!
- Well, I heard about this Dojo place...

It's dinner time! What's on the menu?

- I've created a jumbo-sized pizza recipe for all my friends.
- Popcorn! It's healthy and nutritious!
- I haven't got time to eat, there are missions to solve!
- Something hot and spicy. With extra spice.

The EPF says Herbert has been spotted in the Forest! What should we do?

- Warn other penguins to keep away from the area.
- Deliver lots of smelly fish to keep him away!
- Maybe Gary can invent a giant bear catcher to trap him?
- Let's send a spy to find out what he is up to.

Mostly Red Alert!

Red puffles make great companions for adventure-loving penguins. The most famous of all is Yarr, belonging to Captain Rockhopper! If surfing is your thing, the red puffle can pull some mean tricks in a game of Catchin' Waves. And what other pet shoots itself out of a cannon for fun?

adventure

Mostly

Go Yellow!

A yellow puffle will bring out the artist in you! These furry friends even make masterpieces out of their food - just see what happens when they eat Puffle-O's! Music, painting, acting - however your talent shines, the yellow puffle will be your perfect partner.

artistic

Mostly

Black Shadow!

So you're the strong, silent type? Get yourself a black puffle. Not much is known about these mysterious, moody pets, but they have some powers that no other puffles share - if you want proof, just feed them an O-Berry, and stand back!

mysterious

Mostly

Green Machine!

If you're a penguin with a sense of humour, the green puffle will make you laugh your flippers off. When they're not clowning around riding unicycles, these groovy green pets are flying around Club Penguin, getting into mischief. In fact, they're the fastest puffles of all, which is why they love Jet Pack Adventure!

fun-loving

Flaming flippers!

There are loads more puffles to choose from...

Blue
The blue puffle is friendly and loyal, and loves munching pizza and playing beachball!

Purple

Purple puffles love dancing almost as much as Cadence!

Pink

Pink puffles are sports-mad, and are happiest when they are bouncing on a trampoline or skipping rope!

White

The white puffle is the smallest of all, and it has the amazing ability to breathe ice!

Orange

The zany, crazy orange puffle was one of the most recent puffles to be discovered.

BROWN

The brown puffle is super smart and loves to invent gadgets ... but they don't always work!

Make sure your puffles are healthy and happy, otherwise they might run away! Keep their stats up by giving them a bath and feeding them.

Aunt Arctic

If you're a penguin with a problem, there's someone you can always turn to... Aunt Arctic

Ask away!

Even if your question is 'why is your hat pink?' - she will still try to help you. Which just goes to show there really is no such thing as a silly question!

As the chief editor and advice columnist of the Club Penguin Times, Aunt Arctic has lots of important jobs, like judging igloo contests, interviewing penguins or helping the EPF by posting important messages in the newspaper.

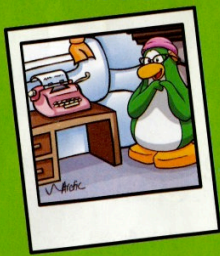

When she's not working, Aunt Arctic loves caring for her puffles, and having a nice cup of tea and a scone at the coffee shop!

Turn to page 32 for more from Aunt Arctic!

Can I meet Aunt Arctic?

Aunt Arctic is really busy writing for the newspaper, but some penguins have met her before, and she gave them an autographed background like this one.

She was the first penguin to have a purple puffle

Aunt Arctic is one of the only penguins with freckles

Sometimes there are hidden messages from the EPF in the Club Penguin Times

She loves interviewing penguins and judging igloo contests
